

ROLLITE™ ROLLSCREENS

WAY

AHEAD

With s_onro®

The shades people, Rollite™ Rollscreens' repute leaps way ahead introducing s_onro® sunprotection and rollershades. Truly an eclectic form of aesthetic shade s_onro® offers security and transparency. s_onro® allows both light and air into the rooms. It breathes. The proof is in the use, the durability and function, promising long-lasting shade pleasure and pride.

Once the sun's angle of elevation exceeds 20°, s_onro® intelligently shuts out the direct sunlight into the room. For desired light level, s_onro® can be raised individually. Whatever your needs, the one system offers three ways of installation and numerous colors selection.
