

# The difference it is

Even when it's down,  
the world is in full view

Rollite™ Rollscreens. In control of heat and light since 1981. Rollite™ Rollscreens is engineered and built to last, withstanding the vagaries of daily use. Installed within UOB Plaza some 15 years ago, Rollite™ Rollscreens is in perfect condition: no discoloration, no replacement of parts required and no signs of wear and tear. Innovative, green and cost efficient. Its perfect balance of style and performance comes with a plethora of choices, customizable for every project. There's more to Rollite™ Rollscreens, call 6284 0033 to be in control of heat and light.
